

VISION STATEMENT

Sharing a lifetime of connection and curiosity.

MISSION STATEMENT

We provide equitable opportunities for growth, literacy, exploration and connection.

STRATEGIC PRIORITIES

Organizational Strength

We believe that better communication and a focused training and support strategy build positive relationships within our team and help us respond to our changing community.

- Strengthen Work Relationships
- Improve Internal Communications
- Training Needs Analysis
- Societal Issues
- Technology
- Training Plans

Collaboration and Partnerships

We believe in pursuing strategic connections to enhance our services, create opportunities and build a culture of knowledge sharing.

- Needs Analysis
- Explore Local Partnerships

Communication and Marketing

We believe that improved communication and marketing improves our service and enhances awareness of the library's role in the community.

- Marketing Plan
- Communications Plan

Stable Funding

We believe that establishing stable long term funding enables multi-year planning to better serve the growth needs of the library and service to the community.

- Explore Funding Options

Emerging Technology

We believe providing access to appropriate technology and programming enhances the ability of our patrons to engage in a changing world.

- Technology Plan
- Programming
- Makerspace

STRATEGIC GOALS

VALUE STATEMENT

Community – We foster a sense of belonging and meaningful connection for all.

Respect – We value each person through kindness and open communication.

Life-long Learning – We nurture personal and public well-being and inspire curiosity.
