

Welcome to BC Summer Reading Club 2022!

ALL TOGETHER NOW

Neighbours, friends and community fun-makers, this SRC is for you! Come to the library and join in-person weekly activities, book clubs, and construction zone Fridays. And of course, track your progress with your SRC reading log and stickers. Along the way, SRC's Master of Medleys will guide you through Summer Reading Club as we explore our connection to each other, the environment, and the world. Share stories, connect, and build a community full of fun and stories - All Together Now!

Weekly Happenings and Construction Zones!

Register and join weekly Happenings, Book Clubs, and Construction Zone Fridays! Watch out for a Live Theatre Event on Tuesday, August 2nd! This year's SRC is all about creating a world full of story and sharing.

SRC Book Clubs

Every summer reading club member needs some time to relax with in the shade with a guaranteed page-turner. This year's SRC picks include warm and witty tales of neighbours, neighbourhoods, gardens, and unlikely roommates!

Book Clubs are Tuesdays or Wednesdays from 10:00 -11:00 am (Junior) and 11:30 am-12:30 pm (Senior). They meet in person, in the First Credit Union Community Room.

I've joined the BC Summer Reading Club! Now What?

1. Read! Read! Read! You can also listen to someone else read or tell you a story. Read or listen to anything you like: books, audiobooks, e-books, magazines, comics, or newspapers. Set a goal to read every day.
2. You can read or listen to stories whenever and wherever you like, in any language.
3. In your reading record, there are seven pages, one for each week. Colour or circle one of the symbols for each day that you read (one symbol = one day of reading).
4. Use the space beside the symbol to write down what you read that day. If you read the same book over several days, you can just write down the pages or chapters you read. If you read more than one book in a day, write down the one you liked best.
5. When you have read for at least 7 days, place one of the included stickers in your reading record.
